

Ch # 00000000357

The Lower 78 Sand, Reservoir 203, in Paradis Field is hereby defined as being that gas and condensate bearing sand encountered between the electric log depths of 8,150 (-7,603 TVD SS) feet and 8,210 (-7,652 TVD SS) feet in the MVP Production Inc. - Texas & New Orleans Railroad Co. Well No. 1, located in Section 39, Township 14 South, Range 20 East, St. Charles Parish, Louisiana.

Hon. Philip N. Asprodites, Commissioner
April 16, 2001
Page 2

MVP will provide for the advertisement of the legal notice in a newspaper of general circulation in the vicinity of the Paradis Field, and also will post the legal notice and unit plat in a prominent place in the area of the field. MVP will also mail a copy of said legal notice and unit plat to interested owners, represented parties and to interested parties.

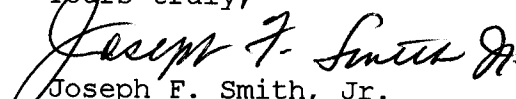

Attached are (1) a copy of the unit plat, (2) a list of Interested Owners, Represented Parties, and Interested Parties, and (3) our check in the amount of \$700.00 to cover the application fee.

A copy of this application, plat and list attached, is being sent to Mr. Richard D. Hudson, District Manager, Lafayette, Louisiana. A copy of this application and plat are also being sent to each Interested Owner, Represented Party, and Interested Party after a reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

The pre-application conference was not held since MVP did not receive a request to confer.

All pertinent data relating to this notice can be obtained, at the cost of the requesting party, by contacting the undersigned at Texaco Exploration and Production Inc., P. O. Box 60252, New Orleans, Louisiana 70160, telephone number (504) 680-1004.

Yours truly,

Joseph F. Smith, Jr.
Unitization Coordinator
